

Microsoft Authenticator Setup Process

To set up MFA for the CAMP App, please refer to the following guide:

https://mobileapp.quanta-camp.com/CMPApp/doc/CAMPAPP_OTP_Manual_en.pdf

Step 1: Install Microsoft Authenticator App

- iOS: Install via the App Store.

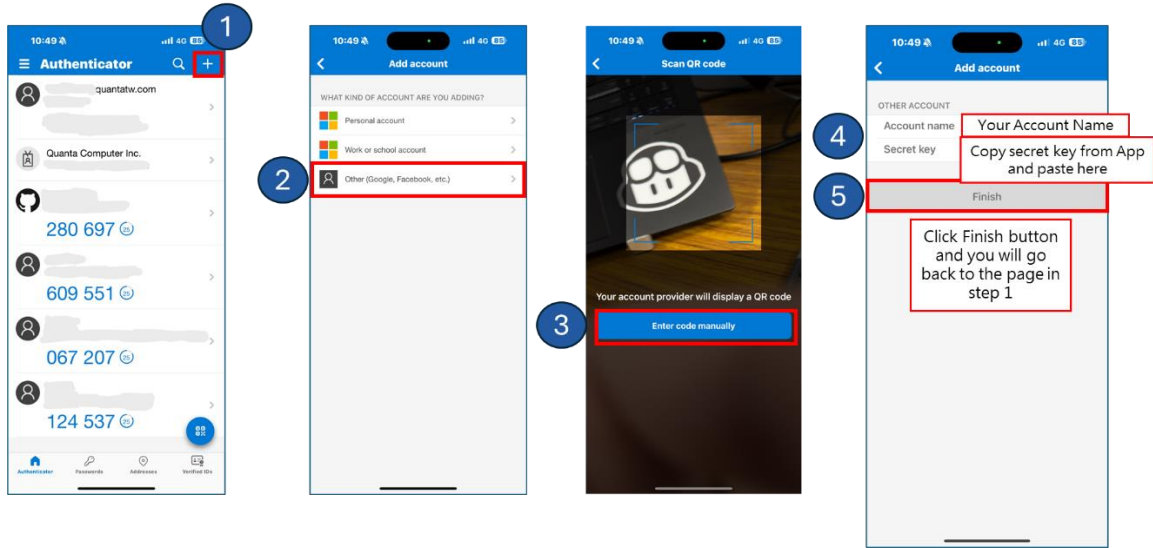

- Android: Install via Google Play or the app store.

Step 2: Setup OTP

Setup via Manual Key Input (APP)

- Copy the Secret Key displayed in the **App** and paste it into the Microsoft Authenticator app.
- You can name it for easy identification.
- Once completed, the OTP will appear on the designated page of the app.
- Approach1 (Setup OTP on APP):

- Approach2 (Setup OTP on APP):
